CONTRACT MANAGER, ENGINEER

WHO WE ARE

SERVICE DISABLED VETERAN OWNED SMALL BUSINESS

JACESolutions was founded by Donald (Don) Johnson in an effort to serve the DOD and Intelligence Communities as a **Service Disabled Veteran Owned Small Business (SDVOSB)**. A fully cleared engineer with a full-scope polygraph, Don has 39 years of experience in the Intelligence Community supporting technical and mission-related activities on strategic, operational, and tactical levels.

Don's career includes twenty years in the United State Air Force (USAF) and 15 years as a contractor, with ten years as a Systems Engineering Technical Assistance (SETA) supporting Acquisition Office programmatic activities. For the past five years, Don worked as a government Contracting Officer Technical Representative (COTR) and engineering lead providing direct Support to Military Operations (SMO).

JACESolutions serves government and state contracts and specializes in the growing requirements to meet SDVOSB set-aside contracts.
